

## **Cab BPA Chapter at the first virtual Delaware BPA State Leadership Conference!**

Over the last month, the Cab Business Professionals of America Chapter has competed in the first virtual Delaware BPA State Leadership Conference in its 52-year history!

There certainly were a great deal of challenges presented with this new format. Students had to learn many new competencies, over and above what is already required, in order to create compelling projects using Chromebooks, cell phone cameras, recorded Zoom presentations, digital signage and a host of other things in order to be successful, and our BPA Chapter certainly were that!

I am incredibly proud of how our entire group came together, worked to find solutions and shared information with true comradery. This entire year, we have had a fantastic Leadership Team led by our Chapter President Alexis Kupchik that have helped me immeasurably and the Cab BPA Alumni who came to all of our weekly meetings to assist the chapter in a great many ways, I couldn't be happier with our entire group!

The conference are as results as follows:

- **Saisha Bhatia, Anjali Mahinth, Suhani Nangia, Zachary Wilder placed 1st in Digital Game Design Team event**
- **Cindy Tran placed 1st in Business Communication Skills Concepts, 2nd in Computer Literacy Concepts and 3rd in Financial Literacy**
